## **CONTOUR** PRODUCT DATA SHEET

| ${\cal O}$ Recycled Content | Up to 80%            |
|-----------------------------|----------------------|
| Range                       | Contour              |
| Category                    | Colour, Structure    |
| Collection                  | Absolute Collection  |
| Short Code                  | CNT04T               |
| Colour                      | Grey                 |
| Finish                      | Matt - 3D Transition |
| Wall Suitability            | Internal Only        |
| Floor Suitability           | -                    |
| Wet Barefoot                | -                    |
| Material                    | Glazed Ceramic       |
| Classificiation             | BIII                 |
| Light Reflectance Value     | 29.00                |
| CSV                         | VI                   |

| Available Sizes |  |
|-----------------|--|
| 300x75x8-15.5mm |  |

## www.johnson-tiles.com

| Tile colours shown of the tile product on this data sheet are as accurate as the limitations of the printing process will allow. Due to the manufacturing process of all floor tiles there may be small variations in slip   |
|--|
| resistance. The slip resistance values provided are accurate at the time of testing and represent the standard production value. Please note, Inadequate cleaning and maintenance will lead to a significant reduction in    |
| the slip resistance of any tiles. The pendulum test results are displayed in line with The Health & Safety Executive guidelines whereby 0 - 24 represents a high slip potential, 25 - 35 signifies a moderate slip potential |
| and 36+ represents a low slip potential. All figures are accurate at the time of this data sheets creation (30/04/2025). Johnson Tiles Limited, Harewood Street, Tunstall, Stoke-on-Trent. ST6 5JZ. Registered in England    |
| No. I 5600432. © 2025 Johnson Tiles. All rights reserved.  |
