BELLAGIO

Taking inspiration from traditional Venetian terrazzo, Bellagio showcases a shimmering effect to emulate terrazzo fragments. With the appearance of embedded glass, Bellagio offers 5 neutral colours of Off White, Beige, Grey, Taupe and Graphite. Opt for an injection of bold colour with multicolour drops options in Off White, Grey, and Graphite. Or tap into the ever-popular Geometrics trend with Bit Décor and Rhombus Décor to add distinctive patterning. With all products available in the small format size of 185x185mm, Bellagio is versatile and impactful.

Note: Due to the manufacturing process of all floor tiles there may be small variations in slip resistance. Given this, please refer to our website for the most up-to-date information. The slip resistance properties of a surface can only be maintained with the implementation of an effective regular cleaning and maintenance regime. The frequency of cleaning should be determined by the property manager based on the potential level of surface contaminants. The need for an additional regular cleaning and maintenance regime is further heightened when tiles are used for external floor and wet barefoot applications.
