Ligne is a characterful glazed ceramic wall tile range, ideal for both commercial and residential design projects. Available in two slim format sizes – 125x40mm and the highly popular 250x125mm strips – Ligne draws inspiration from the fusion of colour splashes and the rhythmic harmony of musical notes. Featuring a sophisticated gloss finish across eight eclectic colour options, ranging from soft pastels like Ash, Kiwi, and Violet to vibrant hues like Rosemist, Fennel, and Indigo, this collection is perfect for crafting a chromatic masterpiece that resonates with any design style.
