LOFT

Loft is a stylish slim format porcelain wall and floor tile. Designed with a striking colour and shade variation, Loft embodies a distressed effect reminiscent of exposed, paint-stripped wood. Available in a natural finish in 280x70mm, try fixing Loft in a herringbone pattern for even more visual interest.

Note: Due to the manufacturing process of all floor tiles there may be small variations in slip resistance. Given this, please refer to our website for the most up-to-date information. The slip resistance properties of a surface can only be maintained with the implementation of an effective regular cleaning and maintenance regime. The frequency of cleaning should be determined by the property manager based on the potential level of surface contaminants. The need for an additional regular cleaning and maintenance regime is further heightened when tiles are used for external floor and wet barefoot applications. PTV: Pendulum Test Value.
