

HARBOUR

GLAZED CERAMIC | WALL TILES

STONE EFFECT TILES

JOHNSON • TILES 

MADE IN THE UK SINCE 1901

HARBOUR

Harbour encapsulates the aesthetic of sea-weathered rocks with distressed markings and a structured finish. Available in 3 colourways of Sea Spray, Quay Grey and Breakwater, Harbour is perfect to create a rustic ambience. Sea Spray displays fresh tones of white; Quay Grey is reminiscent of sea-washed pebbles while Breakwater showcases a darker grey shade.

Note: EPD: Environmental Product Declaration for the products shown in this overview can be on the Harbour pages on our website.

Important Information

During the manufacturing process of ceramic, vitrified and porcelain tiles, some variation in shade and pattern can occur. Before fixing any tiles; several boxes should be opened and their contents mixed to ensure that size, colour, shade and patterning are acceptable. The tiles shown are quality products and conform to the physical properties listed below.

- All sizes shown are metric modular.
- For specific suitability and fit-for-purpose details please contact our technical helpline.
- Johnson Tiles cannot accept responsibility for any tiles that have been fixed.
- Every effort has been made to ensure the accuracy of the information given.
- Johnson Tiles reserves the right to change specifications and availability without prior notice.
- Nothing in these statements does or will affect the statutory rights of the consumer.
