

## Savoy Wall

Savoy Wall, a stylish range of ceramic wall tiles designed with a subtle surface effect, contemporary colour palette and a textured feature tile. Savoy Wall is available in fifteen on-trend colours, two slim format sizes along with a selection of co-ordinating fittings; all of which are available in a stunning gloss finish. Each tonal colour within the Savoy Wall range combines perfectly, allowing for endless creative possibilities within any interior space.

 **15 colours**, offering a neutral and contemporary palette.
